# ENGLISH COMPULSORY WRITING SKILL

2017 - 2018

*Develop an art of writing good and effective English*

# Effective English writing skill for success in WBCS

A strong English writing skill is always an asset. It not is only a part of effective communication but also a determining factor for passing WBCS examination. Scoring a good score in Compulsory English always gives a competitive edge over fellow exam writers. Often writing a simple, coherent, and grammatically correct English text can be a difficult task for many of us. However, practice and lots of practice can easily overcome this shortcoming. A smoothly flowing text is always a pleasure to read. It also fetches a good score.

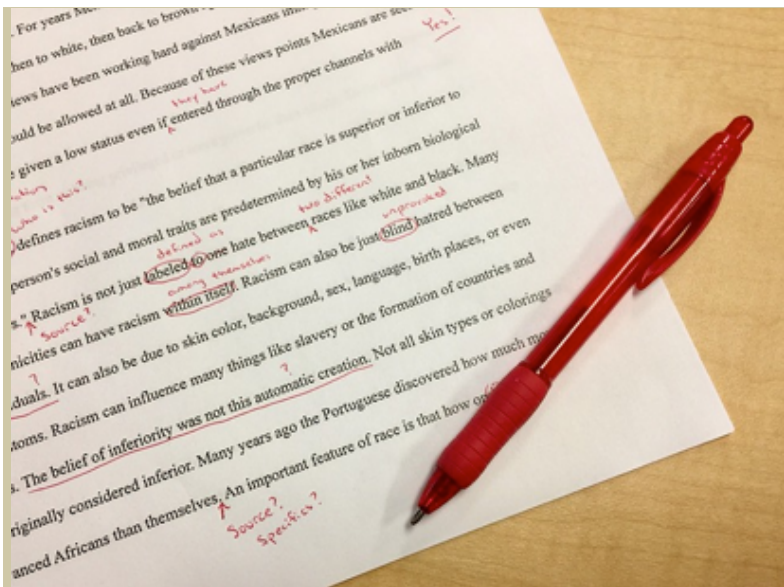

## Our eagle eyes spot your mistakes

### Is reading model answers enough?

Merely reading model answers is not enough. It does not help in building our writing proficiency unless we start writing ourselves. Sometimes writing incorrect English is so inherently engraved in our mind that it becomes almost impossible to spot unless a pair of eagle eyes catches it for you.

In some places the side of the hill is covered by forest, in some places it is bald. Water is coming out from the rocks of the hills which stands beside the road. crystal clear water is flowing through the road and falling into the canyon. In some places trees with of wild fruits ~~are~~ <sup>are</sup> extending over the road. ~~quite a few~~ <sup>quite a few</sup> colorful fruits. Someone can get the fruit if he stands on a horse. once, ~~the~~ <sup>the</sup> ~~shipped~~ <sup>shipped</sup> because of fall of sunray on a peacock. The peacock ~~shouted~~ <sup>stood still with its neck bent</sup> ~~hearing the noise of the horse~~ <sup>for some time after</sup> ~~screaked twice~~ <sup>shouted</sup> and vanished behind the hill. His ~~shout~~ <sup>shout</sup> was creating refraction. His ~~screaking~~ <sup>screaking</sup> ~~reverberated again & n~~ <sup>as it echoed on the hillside</sup>

## How do we contribute to your English writing development?

Our team of experienced professionals guides our students through multiple engagements –

- We highlight your common mistakes.
- Help you pick right choice of words.
- Transform your writing into a beautiful piece of finished text.
- We practice a wide spectrum of vocabulary and expression.
- Eventually master you the art of writing.

### Letter to Editor

Practice writing on a diverse class of socio-economic and political issues. We help you to compose your message in simple words. Writing letter to Editor succinctly is the key to good score and we help you to develop this skill.

### Writing Précis

Summarizing a text in limited words is an art that comes with experience. Discriminating between important and less important requires a specific analytical skill. We work with you in developing this artistry.

### Translation

A good translation is one that retains the actual meaning of source language as close as possible. Right choice of words, and phrases are keys for a good translation. Our practice modules over the time will help you to improve your translation.

### Dialogue

Engaging a meaningful coherent dialogue is what an examiner looks for. We work together for new ideas and captivating discourse.

### Report Writing

Writing a report means reporting a scene after a major event has occurred. Our practice test modules help you to learn how to make a factual commentary without revealing any personal opinion.

# Our experience

We have conducted WBCS Compulsory Mock Tests during the session of 2016 - 2017. We have received extremely high appraisals as well as approvals from those who have taken our tests. Our careful remarks in between the lines, suggestions and model answers have worked as an eye opener for many students.

In many occasions:

- We interacted with the students either on phone or Skype.
- Discussed with problems on one-to-one basis.
- Suggested solutions.
- Provided model key-answers to previous year question papers.

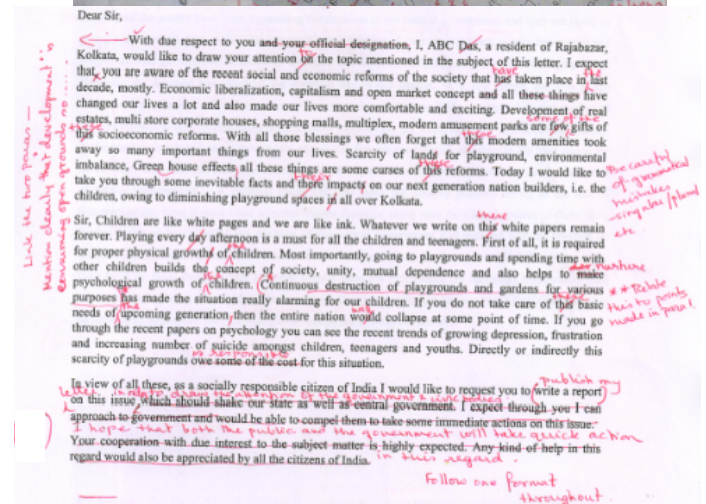

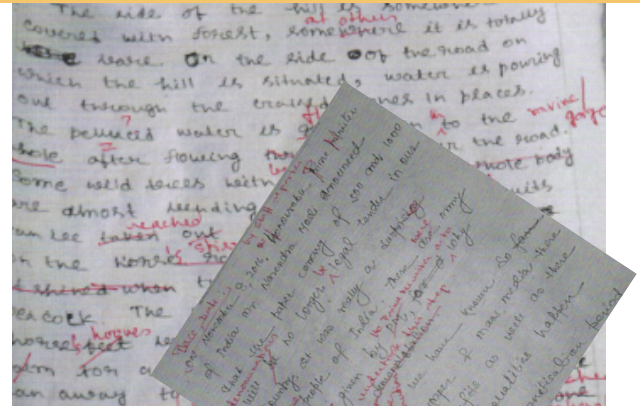

## What is the duration of this course?

There will be 10 full-length practice sets scheduled over 8 months. The main purpose is to give you enough space for improvement over the time. We generally organize exams during weekend so that working aspirants can participate.

## Is there a coaching institute?

No, tests are conducted through emails. We send you questions in advance. After you finish writing, send us your answers as email attachments.
